

March 23, 2012

Below are anticipated construction activities for the week of 3/26/2012.

****While this list encompasses numerous construction projects, it does not list all DPW projects throughout the county. The most recent work is highlighted. Also, weekend work is possible on all projects. We ask for motorists' patience and caution while driving through construction sites. All work is weather dependent.**

CENTER TOWNSHIP

Traffic signal improvements are underway on the following roads.

Indianapolis Cultural Trail: A Legacy of Gene & Marilyn Glick

The pedestrian lighting and paver work under the Bankers Life garage on Virginia Avenue has the southbound curb lane restricted. This restriction will be in place through the second week of April. The new traffic restrictions on Virginia Avenue from South Street to the I-65 bridge are now in place. Traffic has been moved to the east side of Virginia Avenue with one lane in each direction. On-street parking in this section of Virginia Avenue will be removed during the construction of the Trail. Most of the removal of pavement in the above-mentioned limits has been completed. A small amount of drainage work needs to be completed, which should be done next week. Foundations and conduit for trail lighting are being placed by the Villaggio. Stone sub-base will start to be placed next week, and curb will follow the week after.

On the Central Corridor (Washington Street), maintenance of traffic (from Capitol Avenue to West Street) will start to be set up this coming Monday, March 26. This will involve placing orange barrels, temporary tape, and arrow boards to move vehicular traffic to the southern lanes and removing the metered parking on the north side of Washington Street from Capitol Avenue to West Street. After this is set up, the contractor will start saw cutting and removing the pavement. This pavement removal operation will take approximately two days per block.

Georgia Street

Minor contract work will start next week outside of Hooter's restaurant at McCrea Street and Georgia Street consisting of a foundation curb that will be installed next to the building. Minor punch list items are being completed, as well. Please visit the project web page at <http://www.indy.gov/georgiastreet> for additional information.
